TICKET SALES TO RAISE MONEY FOR PROJECT GRAD LONG ISLAND

Bethpage, NY – February 1, 2011 – Bethpage invites Long Islanders to see Cabaret – The Musical, live at Northport's John W. Engeman Theater, beginning February 3, 2011 through March 27, 2011. Based on the 1998 Broadway revival choreographed and co-directed by Rob Marshall and directed by Sam Mendes, Cabaret will feature Kate Fahrner as Sally Bowles, who recently appeared in the National Tour of Wicked as Glinda, and before that, in Lincoln Center's South Pacific.

Ticket sales will help raise money for Project GRAD Long Island, which provides comprehensive college readiness services in partnership with economically disadvantaged school districts. Project GRAD Long Island currently partners with the Westbury Union Free School District to help more Westbury students graduate from high school and succeed in college. Regular ticket prices for reserved seating include $60.00 per person, or $55.00 when using a special Bethpage promotional code available by visiting **www.lovebethpage.com**.

Cabaret is the first in a series of Bethpage-supported shows at the John. W. Engeman Theater, each of which will raise money and awareness for a different Long Island charity. Bethpage will also partner with the Engeman Theater on Guys and Dolls, which runs from April 14, 2011 – June 19, 2011, as well as other shows in the 2011-2012 season.

"The John W. Engeman Theater is one of Long Island's hidden gems that has provided the Long Island community with Broadway caliber entertainment for years. We are

pleased to help bring this level of talent and entertainment to Long Islanders at a discounted price," said Linda Armyn, Senior Vice President, Bethpage Federal Credit Union. "For every ticket to Cabaret sold using the Bethpage promotional code, the Engeman Theater will generously donate $10.00 to Project GRAD, which is helping Long Island's many deserving students attend college."

"Bethpage has been instrumental in helping Project GRAD fulfill its mission of helping students in Long Island's economically disadvantaged communities receive a quality public education. We are grateful for their continued support," said Sybil Mimy Johnson, Executive Director, Project GRAD Long Island.
