

November 14, 2014

[First Name Last Name]  
[Street Address]  
[City, State ZIP]

Dear [Insert Member's Name],

**Important notice regarding your new Bethpage account(s)\***

**Effective December 28, 2014**, transactions from your former CNB account(s) will no longer be automatically processed to your new Bethpage account. As instructed in prior communication, you should have changed your direct deposit to your new Bethpage account. In addition, you should be using your new Bethpage checks and debit card. This change became effective December 6, 2014.

If you have not done so already, please do the following:

- Immediately change any direct deposit instructions to go to your new Bethpage account.
- Immediately change any automatic payments to your new Bethpage accounts.
- For your convenience, the Bethpage Routing Number is 221473652.

**It is critical that you ensure that any direct deposits and automatic withdrawals are changed to your Bethpage account prior to December 28, 2014. After this date, any direct deposit going CNB will be returned and your CNB checks will no longer be honored.**

We are here to assist you with any questions or concerns you may have. We encourage you to visit any Bethpage branch, or call us at 1-800-628-7070. In addition, for specific information regarding this transition you can visit: [lovebethpage.com/welcome-cnb](http://lovebethpage.com/welcome-cnb).

Sincerely,

Robert Hoppenstedt  
Senior Vice President, Operations & Marketing

\*This applies to Checking, Savings and Money Market accounts.
