

Outcomes Assessment Questionnaire

Please fill out the form below. All fields are required. Save to your computer and email completed form as an attachment to charitablegiving@bethpagefcu.com.

Bethpage Federal Credit Union recognizes the importance of assessing the outcomes of all of the sponsorships that Bethpage grants. Bethpage takes great pride in the fact that through its Heart of Bethpage Program we are changing lives on Long Island. We ask that any non-profit who receives funding from Bethpage fill out our Outcomes Assessment Questionnaire upon the completion of the funded program or one year from the receipt of funds (whichever comes first). Armed with the answers that the non-profits provide, we will be able to track the dollars we invest in the Long Island community, making certain that our missions are achieved and our support has resonated in a meaningful way.

The following questionnaire should be downloaded and sent to Bethpage Federal Credit Union. Please keep your responses brief and to the point.

Your Name: _____

Organization Name: _____

Email: _____

1. What type of support did you receive from Bethpage Federal Credit Union?

Please choose one:
