Welcome!

As of March 31, 2016, Montauk Credit Union is now Bethpage Federal Credit Union. Your branch located at 111 West 26th Street in New York City will remain a full service branch and you can continue to call the branch at 212-989-5200 for banking questions.

Bethpage is one of the country's leading community credit unions and the largest in New York State. We have been serving the Long Island community for 75 years and are pleased to welcome the members of Montauk Credit Union. Your accounts will continue to be federally insured in the same manner and to the same extent as when they were with Montauk Credit Union.

We look forward to serving your needs and offering you the full spectrum of Bethpage products and services. Once we convert your accounts to the Bethpage system you will have full access to all Bethpage branches as well as the Bethpage call center and Bethpage Online Banking. You will receive more information about account conversion in the coming weeks.

In addition to the 26th street location, Bethpage has 33 full-service branches across Long Island. At this time, you can access Bethpage branches through the shared branch network.
