Switch Your Automatic Payments.

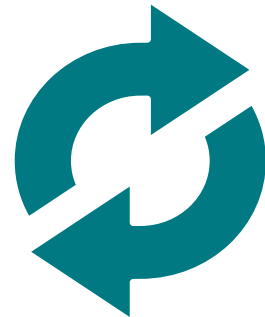

Switching is easier *here*.

We know that switching your checking account from there to here can be time consuming, so we've put together this switch kit to make it as easy as possible. Just follow these simple guidelines and complete the attached form to switch your automatic payments.

Switching Automatic Withdrawals

Do you have automatic withdrawals or payments made from your old account? This could include payments to:

- Insurance companies (Auto, Home, Life)
- Utility companies
- Telephone (Home, Cell)
- Student Loans
- Credit Cards

To have these payments made from your new Bethpage account, complete an "Automatic Payment Request Form" for each payee.

Need help? Just stop by any Bethpage branch office and we will be happy to complete and mail the form for you.

Transferring Online Banking Payees

Do you use your old bank to pay bills online via their website? If you do, you'll want to sign up for Bethpage Online Banking and Bill Pay.

- Log on to your old bank's online banking site and select the option to view your payees
- Print the details to use when you set up your Bethpage Bill Pay service
- Cancel recurring payments from your old bank to avoid paying a bill twice
