**1) GENERAL INFORMATION**

The Bethpage Person to Person Transfer Service ("Transfer" or "Service") for Business Accounts is made available through Acculynk. Acculynk is a company that arranges for person-to-person payments to customers of any U.S. financial institution ("Financial Institution"). The Service allows a Sender (as defined below) to send funds as a onetime transfer to you as a Recipient (as defined below) to an Account (as defined below) at Bethpage or at another Financial Institution.

Any Account accessed through the Service is also subject to the terms and conditions of your Account ("Account Disclosures"). You should review the Account Disclosures carefully, as they may include transaction limitations and fees that might apply to your use of the Service.

**3) AVAILABILITY AND UNAUTHORIZED USE**

This Service is available from your mobile phone, tablet, laptop or other computer. Check with your wireless carrier for any text message rates that may apply.

Unauthorized use of these systems is strictly prohibited and is subject to prosecution under the Computer Fraud and Abuse Act of 1986 and Title 18, U.S. Code Sec. 1001 and 1030. Bethpage and/or Acculynk may monitor and audit usage of this system. You are hereby notified that the use of this system constitutes consent to such monitoring and auditing.

**4) DESCRIPTION OF SERVICE AND CONSENT**

Senders may send one-time Transfers to other Bethpage members or to a person with an account at another Financial Institution. Notice is given to the Recipient by the Sender providing the Recipient's email address or mobile phone number. The Sender may originate these Transfers by use of a computer or a mobile smart phone. To use this Service you are providing information to Bethpage and Acculynk from your mobile phone, desktop, laptop, or other computer.

By participating in the Service, you are representing to Bethpage and Acculynk that you are the owner or you have the authority to act on behalf of the owner of the mobile phone number or email address you are using to send or receive messages regarding Transfers. In addition, you are consenting to the receipt of emails or automated text messages from Bethpage, Acculynk or their respective agents or service providers, regarding the Transfers.

Funds may be transferred to any account in the United States as long as the Transfer is legal and allowed by the financial institutions involved.

#### **5) ELIGIBILITY**

Any individual age 15 years and older with an account in the United States that may receive POS or ACH transactions may use this Service to receive funds that are transferred by the Sender. The Service is not offered to individuals under the age of 15. Other restrictions and eligibility requirements apply as described in this Agreement or other disclosures. Bethpage does not knowingly collect any personal information from or about individuals under 15 years of age. Please do not submit such information to Bethpage, and as a parent or legal guardian, please do not allow your children to submit personal information without your permission. By using the Site or the Service, you represent that you meet these requirements.

#### **6) TRANSFER PROCESS**

The Sender provides the Recipient's email address or mobile phone number, and the Service uses this information to notify the Recipient. The Recipient must accept the Transfer within 10 days, or the Transfer will be cancelled and reversed. During this period, funds will be removed from the Sender's Account for the amount of the Transfer and the fee, if any, imposed by Bethpage or other Financial Institution. Once the Recipient has successfully accepted the Transfer, funds will be sent to the Recipient's Financial Institution for deposit to the Recipient's account. Transfers will be immediately debited from the Sender's Account and will be delivered to the Recipient's Financial Institution or Bethpage, as applicable, once claimed by the Recipient. The receiving Financial Institution may have limits on the number and amount of Transfers allowed and on the timing for when the funds will be available to the Recipient. Neither Bethpage nor Acculynk is responsible for any failure of another Financial Institution to timely credit its customer's account.

#### **7) METHOD AND TIMING OF TRANSFERS**

The Recipient may choose to receive the funds by one of two methods:

1. Providing their debit card information; or
2. Providing their account number and Financial Institution routing number.

Funds received with debit card information may be credited immediately while funds received with account and routing information may take one to three days for processing through the ACH (Automated Clearing House) network. Regardless of the method selected, the timing is also impacted by when the Recipient responds to the email or text message and when their Financial Institution posts the transfer. The posting may also be subject to the receiving Financial Institution's business day and processing cut of times.

If you do not wish to provide your debit card information or your Financial Institution does not participate in this service, you should select the option to provide your account number and routing number of the Financial Institution where you maintain the Account to be credited. In this case, the funds will be transferred through the Automated Clearing House ("ACH"). Please note, if choose to receive the funds using your debit card information and your Financial Institution does not participate in this service, you may receive a message indicating that your card is currently not eligible to receive funds. If this is the case, you can try to use a debit

card from a different Financial Institution or you can choose to receive your funds using your account number and Financial Institution routing number information.

#### **8) ISSUES THAT MAY AFFECT THE TRANSFER**

Other events may affect the timing or success of a Transfer reaching the intended Recipient. Such events may include, but are not limited to:

- Errors made by the Sender or Recipient in entering information, such as inaccurate account or card number information
- Delays in posting by the receiving institution
- Acts of God
- Network and NACHA interruptions.

If we believe the Transfer may be illegal, we may decline or reverse the Transfer. The receiving institution may choose not to post the Transfer or to delay posting the Transfer. Neither Bethpage nor Acculynk is responsible for any delays in the Transfer of funds or the posting of funds to the Recipient's Account.

Other Financial Institutions have rules and regulations that govern their Accounts. Some of these regulations may not allow a POS or ACH transfer of funds. You are responsible for ensuring that these types of Transfers are allowed for the Account that you specify. For example, an IRA may not allow electronic transfers directly into the Account. We are not responsible for any action or lack of action taken by the Financial Institution that delays, inhibits, or prevents the posting of the Transfer to the Account.

#### **9) AUTHORIZATION AND INFORMATION ACCURACY, RESPONSIBILITY AND AGREEMENT**

You acknowledge and agree that Transfers will be completed using only the email address or mobile phone number the Sender enters even if it identifies a person different from the Sender's intended Recipient. The Sender must accurately enter the Recipient's email address or mobile phone number since the Sender's obligation to pay for the Transfer will not be excused by an error in the information the Sender enters.

Transfer Instructions and the transmission and issuance of data related to such Transfer Instructions shall be received pursuant to the terms of this Agreement, and the rules of the National Automated Clearing House Association ("NACHA") and the applicable automated clearing house, as well as any EFT Network, or networks, utilized to automate the transfer of funds and governed by Regulation E, (collectively, the "Rules"), as applicable. The parties agree to be bound by such Rules as in effect from time to time. In accordance with such Rules, any credit to an Account shall be provisional until Bethpage or the third party institution, which holds the account, has finally settled such credit.

If you are receiving funds, you authorize the crediting of your account using card networks or NACHA.

It is the responsibility of the Sender and Recipient of funds to provide accurate information. You agree that you as Recipient are authorized to deposit funds into the Accounts whose numbers you provide or into the Accounts associated with the card number you are providing.
