GUARANTY:

Each person who signs this guaranty (the "Guarantor") hereby absolutely and unconditionally guarantees to Bethpage Federal Credit Union or Bethpage Commercial, LLC (as the case may be, and each referred to herein as "Lender") its successors, endorsees and assigns the prompt payment and performance of all present and future obligations, liabilities and undertakings of the applicant identified on the reverse side of this application (the "Borrower") to Lender, including but not limited to all loans, interest, late charges, fees and attorney's fees and disbursements. Each Guarantor gives this guaranty in consideration of Lender granting credit to the Borrower. Each Guarantor is jointly and severally liable to Lender. Each Guarantor agrees to pay Lender all of its costs, expenses and legal fees in enforcing this guaranty. Lender does not have to proceed against the Borrower or any security before seeking recovery from any Guarantor. Each Guarantor will be liable hereunder regardless of the validity or enforceability of the obligation of the Borrower. Upon request by Lender, each Guarantor will execute and deliver to Lender a Federal Form 4506-T authorizing Lender to obtain any Guarantor's individual tax return transcripts. This guaranty is a guaranty of payment and not of collection.

Lender may do any or all of the following without notice and each Guarantor will remain liable on this guaranty: (a) exchange, surrender, sell, substitute, liquidate, or release any security; (b) renew, extend, modify, accelerate, compromise, or release any obligation of the Borrower or any Guarantor; (c) take or fail to take any action with respect to the Borrower or any Guarantor or any security or the perfection thereof. Lender has no duty to any Guarantor with respect to any security. Each Guarantor hereby waives notice of (a) presentment, demand, protest, notice of protest and notice of dishonor; and (b) advances to the Borrower, and (c) acceptance of the guaranty. This guaranty is absolute, continuing and unconditional and each Guarantor will remain liable to Lender despite the occurrence or non-occurrence of any event which would in the absence of this provision be deemed an equitable or legal discharge of a Guarantor. Each Guarantor hereby waives trial by jury and the right to interpose set-offs, defenses and counterclaims with respect to any action involving this guaranty.

Lender will not waive any right or remedy by any act, delay, or omission unless such waiver is in writing and signed by Lender. The guaranty contains the entire understanding between Lender and each Guarantor with respect to this guaranty and may not be modified or terminated except in writing signed by Lender. This guaranty will be governed by the applicable federal laws and regulations and to the extent not preempted by such federal laws and regulations, by the laws of the State of New York without regard to its conflicts of laws and rules. Any action regarding this guaranty shall be brought in the state or federal courts of the State of New York.

If a claim is ever made against Lender and Lender must repay to any person or entity any amounts received for the account of the Borrower or Guarantor by reason of any judgment, settlement, bankruptcy, insolvency or alternative proceeding, each Guarantor shall be liable to Lender for all such amounts as if they had never been paid regardless of the status of the Borrower, such Guarantor or its obligations or this guaranty. Each Guarantor hereby waives all rights with respect to the Borrower or any other Guarantor for contribution, subrogation, set-off, indemnification or reimbursement for any payment made by Guarantor under this guaranty, and all rights to raise any other defenses of a surety or any defense available to the borrower.

As collateral security for the payment of any and all obligations of the Borrower to Lender, each Guarantor hereby grants hereby grants to Lender a security interest in and a lien upon and right of set-off against all monies, deposit balances, securities or other property of interest therein of each Guarantor, now or at any time hereafter held or received by or for or left in the possession or control of Lender or any of its affiliates whether for deposit, safekeeping, custody, transmission, collection, pledge or for any other or different purpose.

- C. Business Termination. Borrower / Guarantor merge, dissolve, reorganize, end my business or existence, or a partner or majority owner dies or is declared legally incompetent.
- D. Failure to Perform. Borrower / Guarantor fail to perform any condition or to keep any promise or covenant of the Note you will be provided at the closing. The Note will include but not limited to the amount borrowed, term, interest rate charged, finance charge and monthly payment and any collateral that is being used to secure the amount borrowed on the loan.
- E. Other Documents. A default occurs under the terms of this document or any other documents you will be provided at closing.
- F. Other Agreements. Borrower / Guarantor is in default on any other debt or agreement they have with Lender.

REMEDIES. After Borrower / Guarantor default, and after the Lender gives any legally required notice and opportunity to cure the default, Lender may at its discretion do any one or more of the following:

- A. Acceleration. Borrower / Guarantor may make all or any part of the amount owing by the terms of this Note immediately due.
 - B. Sources. Lender may use any and all remedies it possesses under state or federal law or in any Loan Document.
 - C. Insurance Benefits. Lender may make a claim for any and all insurance benefits or refunds that may be available on Borrower / Guarantor default.
 - D. Payments Made On My Behalf. Amounts advanced on Borrower / Guarantor behalf will be immediately due and may be added to the balance owing under the terms of this Note, and accrue interest at the highest post-maturity interest rate.
 - E. Termination. Lender may terminate my right to obtain advances and may refuse to make any further extensions of credit.
 - F. Set-Off. Lender may use the right of set-off. This means the Lender may set-off any amount due and payable under the terms of this Note against any right Borrower / Guarantor have to receive money from the Lender.
- Borrower / Guarantor's right to receive money from Lender includes any deposit or share account balance Borrower / Guarantor have with Lender ; any money owed to Borrower / Guarantor on an item presented to Lender or in your possession for collection or exchange; and any repurchase agreement or other non-deposit obligation. "Any amount due and payable under the terms of this Note" means the total amount to which Lender is entitled to demand payment under the terms of this Note at the time of Lender set-off.
- Subject to any other written contract, if Borrower / Guarantor right to receive money from Lender is also owned by someone who has not agreed to pay this Note, your right of set-off will apply to my interest in the obligation and to any other amounts Borrower / Guarantor could withdraw on my sole request or endorsement.
- In addition, Lender may also have rights under a "statutory lien". A "statutory lien" means your right under state or federal law to establish a right in, or claim to, my shares and dividends to the extent of any outstanding financial obligations that I have with Lender. If Lender has a statutory lien, Lender may without further notice, impress and enforce the statutory lien on my shares and dividends to the extent of any sums due and payable under the terms of this Note that Borrower / Guarantor fail to satisfy.
- Your set-off and statutory lien rights do not apply to an account or other obligation where my rights arise only in a representative capacity. They also do not apply to any Individual Retirement Account or other tax-deferred retirement account. Your set-off rights do not extend to funds in any account into which I have deposited social security or supplemental security income payments by way of direct deposit. Your right of set-off applies without prior demand, but Credit Union must send me notice of and the reasons for the set-off when Lender exercises its right.
- Lender will not be liable for the dishonor of any check or share draft when the dishonor occurs because of Lender set-off against any of my accounts, or exercised its statutory lien rights. Borrower / Guarantor agree to hold Lender harmless from any such claims arising as a result of Lender's exercise of its right of set-off or statutory lien rights.
- G. Waiver. Except as otherwise required by law, by choosing any one or more of these remedies Lender do not give up its right to use any other remedy. Lender does not waive a default if Lender chooses not to use a remedy. By electing not to use any remedy, Lender does not waive its right to later consider the event a default and to use any remedies if the default continues or occurs again.
- COLLECTION EXPENSES AND ATTORNEYS' FEES.** On or after Default, to the extent permitted by law, Borrower / Guarantor agree to pay all expenses of collection, enforcement or protection of its rights and remedies under this Note or any other Loan Document. Expenses include, but are not limited to, reasonable attorneys' fees, court costs, and other legal expenses. These expenses are due and payable immediately. If not paid immediately, these expenses will bear interest from the date of payment until paid in full at the highest interest rate in effect as provided for in the terms of this Note. All fees and expenses will be secured by the Property Borrower / Guarantor have granted to Lender, if any. In addition, to the extent permitted by the United States Bankruptcy Code, Borrower / Guarantor agree to pay the reasonable attorneys' fees incurred by Lender to protect its rights and interests in connection with any bankruptcy proceedings initiated by or against Borrower / Guarantor.

CERTIFICATION REGARDING BENEFICIAL OWNERS OF LEGAL ENTITY CUSTOMERS

(For Certain Business Account Owners)

FORM EXPLANATION

I. GENERAL INSTRUCTIONS

What is this form?

To help the government fight financial crime, Federal regulation requires certain financial institutions to obtain, verify, and record information about the beneficial owners of legal entity customers (for certain business account owners). Legal entities can be abused to disguise involvement in terrorist financing, money laundering, tax evasion, corruption, fraud, and other financial crimes. Requiring the disclosure of key individuals who own or control a legal entity (i.e., the beneficial owners) helps law enforcement investigate and prosecute these crimes.

Who has to complete this form?

This form must be completed by the person opening a new account on behalf of a legal entity with any of the following U.S. financial institutions: (i) a bank or credit union; (ii) a broker or dealer in securities; (iii) a mutual fund; (iv) a futures commission merchant; or (v) an introducing broker in commodities.

The financial institution may also ask to see a copy of a driver's license or other identifying document for each beneficial owner listed on this form.

For the purposes of this form, a "legal entity" includes a corporation, limited liability company, or other entity that is created by a filing of a public document with a Secretary of State or similar office, a general partnership, and any similar business entity formed in the United States or a foreign country. "Legal entity" does not include sole proprietorships, unincorporated associations, or natural persons opening accounts on their own behalf.

What information do I have to provide?

This form requires you to provide the name, address, date of birth and Social Security number (or passport number or other similar information, in the case of Non-U.S. persons) for the following individuals (i.e., the beneficial owners):

- (i) Ownership: Each individual, if any, who owns, directly or indirectly, 25% or more of the equity interests of the legal entity customer (e.g., each natural person that owns 25% or more of the shares of a corporation); and
- (ii) Control: An individual with significant responsibility for managing the legal entity customer (e.g., a Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Managing Member, General Partner, President, Vice President, or Treasurer).

The number of individuals that satisfy this definition of "beneficial owner" may vary. Under section (i), depending on the factual circumstances, up to four individuals (but as few as zero) may need to be identified. Regardless of the number of individuals identified under section (i), you must provide the identifying information of one individual under section (ii).

It is possible that in some circumstances the same individual might be identified under both sections (e.g., the President of Acme, Inc. who also holds a 30% equity interest).

Thus, a completed form will contain the identifying information of at least one individual (under section (ii)), and up to five individuals (i.e., one individual under section (ii) and four 25% equity holders under section (i)).

II. CERTIFICATION OF BENEFICIAL OWNER(S)

a. Name and Title of Natural Person Opening Account:

b. Name, Type, and Address of Legal Entity for Which the Account is Being Opened:

c. Ownership: The following information for each individual, if any, who, directly or indirectly, through any contract, arrangement, understanding, relationship or otherwise, owns 25% or more of the equity interests of the legal entity listed above:

- Any other individual who regularly performs similar functions.

(If appropriate, an individual listed under section (c) above may also be listed in this section (d)).

Name	Date of Birth	Address (Residential or Business Street Address)	For U.S. Persons: Social Security Number	For Non-U.S. Persons: Social Security Number, Passport Number and Country of Issuance or other similar identification number ¹	Percentage of Ownership

¹ In lieu of a passport number, Non-U.S. Persons may also provide a social security number, an alien identification card number, or number and country of issuance of any other government-issued document evidencing nationality or residence and bearing a photograph or similar safeguard.
