PLEASE READ THIS PERSON TO PERSON TRANSFER TERMS AND CONDITIONS ADDENDUM FOR BUSINESS ACCOUNTS (THIS "ADDENDUM") AND THE DIGITAL SERVICES – ONLINE AND MOBILE BANKING AGREEMENT (THE "DIGITAL SERVICES AGREEMENT") (available at: lovebethpage.com/DigitalAgreement) CAREFULLY. BY ACCESSING OR USING THE PERSON TO PERSON TRANSFER SERVICE YOU AGREE TO BE BOUND BY THIS ADDENDUM AND THE DIGITAL SERVICES AGREEMENT, AS FURTHER DESCRIBED BELOW. THIS ADDENDUM IS SUBJECT TO CHANGE AND ANY CHANGES WILL BE INCORPORATED INTO THIS ADDENDUM AS PROVIDED IN "CHANGES TO THIS ADDENDUM" BELOW. IF YOU DO NOT ACCEPT AND AGREE TO ALL THE TERMS AND CONDITIONS OF THIS ADDENDUM AND THE DIGITAL SERVICES AGREEMENT, YOU ARE NOT PERMITTED TO ACCESS OR USE THE PERSON TO PERSON TRANSFER SERVICE.

BY USING THIS SERVICE, YOU WILL BE REDIRECTED TO A SITE AND SYSTEM OPERATED BY, AND UNDER THE CONTROL OF, ACCULYNK, INC. ("ACCULYNK").

All capitalized terms used but not defined in this Addendum shall have the meanings given to those terms in the Digital Services Agreement or your Member Account Agreement (available at: lovebethpage/businessMAA).

GENERAL INFORMATION

Person to Person Transfer Service ("Transfer" or "Service") for Business Accounts is made available through Bethpage Digital channels by Acculynk. Acculynk is a company that arranges for person-to-person payments to customers of any U.S. financial institution ("Financial Institution"). The Service allows you as the "Sender" to send funds as a onetime transfer using your debit card to persons "Recipients" with an Account at Bethpage or an Account at another Financial Institution. "Account" or "Accounts" refers to any accounts that may be debited or credited with funds under these Terms of Use. This Service is available from your mobile phone, tablet, laptop or other computer. Check with your wireless carrier for any text message rates that may apply. The "Site" is Acculynk's electronic location accessed by a user through a mobile phone, computer or other access device.

Transfer instructions relating to external accounts and the transmission and issuance of data related to such Transfer instructions shall be received pursuant to the terms of this Addendum, and the rules of the National Automated Clearing House Association ("NACHA") and the applicable automated clearing house, as well as any EFT Network, or networks, utilized to automate the transfer of funds and governed by Regulation E (collectively, the "Rules"). The parties agree to be bound by such Rules as in effect along with amendments made from time to time. In accordance with such Rules, any credit to an Account shall be provisional until the third party institution, which holds the account, has finally settled such credit.

REQUIREMENTS AND LIMITATIONS

- You may initiate a transfer using your debit card. Credit cards are not eligible for this service.
- Transfer number and dollar amount limits apply and are designed to be flexible. They may be based on confidential fraud and risk criteria used to manage risk related to offering this service and to protect our member accounts. Limits are modified at our sole discretion and without notice.
- Transfers are counted toward the Debit Card daily transaction limits set forth in your Business Member Account Agreement.

- Your available balance requires sufficient funds to cover the transfer on the day you initiate a transfer; otherwise your request may be declined.
- The receiving Financial Institution may have limits on the number and amount of Transfers allowed and on the timing for when the funds will be available to the Recipient.

TRANSFER PROCESS

Sender

- You will be prompted to enter your debit card number and expiration date.
- Similar to an ATM or point of sale transaction, you will also be prompted to enter your pin as part of authentication and authorization for your payment.
- You will be prompted to enter the Recipient's email address or mobile phone number, which Acculynk will use to inform your Recipient of the transfer.
- Funds for your transfer will be debited from your Account immediately.

Recipient

- The Recipient will receive a message notifying them of the pending deposit along with a secure link to the Acculynk's application.
- The application will prompt the Recipient to enter information required to complete the transfer.
- Once the Recipient enters information and accepts the transfer, the funds will be immediately sent to the Recipients' Financial Institution for deposit to their Account.
- If the Recipient's Account is with Bethpage, the deposit will be made on the day the Recipient accepts the transfer from the Sender.
- If the Recipient's Account is not with Bethpage, the deposit will be made in accordance with their Financial Institution's policies.
- The Recipient must accept the transfer within 10 calendar days or the transfer will be cancelled and the funds returned to the Sender's Account.

METHOD AND TIMING OF TRANSFERS

The Recipient may choose to receive the funds by one of two methods:

1. Providing their debit card information; or
2. Providing their account number and Financial Institution routing number.

Funds received with debit card information may be credited immediately while funds received with account and routing information may take one to three days for processing through the ACH (Automated Clearing House) network. Regardless of the method selected, the timing is also impacted by when the Recipient responds to the email or text message and when their Financial Institution posts the transfer. The posting may also be subject to the receiving Financial Institution's business day and processing cut of times.

ISSUES THAT MAY AFFECT THE TRANSFER

Other events may affect the timing or success of a Transfer reaching the intended Recipient. Such events may include, but are not limited to:

- Errors made by the Sender or Recipient in entering information, such as inaccurate account or card number information
- Delays in posting by the receiving institution
- Acts of God
- Network and NACHA interruptions.

If we believe the Transfer may be illegal, we may decline or reverse the Transfer. The receiving institution may choose not to post the Transfer or to delay posting the Transfer. Neither Bethpage nor Acculynk is responsible for any delays in the Transfer of funds or the posting of funds to the Recipient's Account.
